

The P. C.  
Editor Says:

Pat Noonan and his assistants from top to bottom deserve praise for their efforts in behalf of Amendment 6 as they put forth every effort and succeeded in carrying every county in Division 10 for the proposition. The coming session of the Legislature will undoubtedly introduce and pass an act increasing the gasoline tax from 2 cents to 4 cents in order to maintain roads now built and to pay interest and retire bonds when due.

The printing of the Constitutional Amendments in the 114 counties and the cities will cost more than one hundred thousand dollars and but one carried and that one is the only one that will cost the tax payers from now on, but is a worthy one.

Complaint has been registered with The Standard editor that the farm advisers office in Benton and other Federal offices that has to do with farmers crop measurements, allotments, etc., are not kept open for the convenience of the public but for the convenience of the heads, stenographers, clerks and what have you. These employees are paid to attend to business and should have their offices open at 8:00 a. m. and remain open till 5:00 p. m. with some one there to look after people who cannot reach there before.

Even with bulging Democrats, liquor and money, and repeating negroes from nearby farms, it looks as though no Republican can be elected in Scott County it matters not how high type and worthy a man he may be. This was proven in the election of Tuesday when two of our best citizens was defeated at the polls.

The freeze of Monday night cut our dahlias and the votes of Tuesday cut down the Republican candidates in the State and in Scott County.

Felker won for Collector by a few hundred votes and is grateful to the Democrats who voted the ticket straight.

Inspector Gage, out of Chicago, who has been investigating supposed WPA crookedness in Southeast Missouri Counties, checked out of Sikeston Monday evening for Jefferson City. He was a very pleasant gentleman to meet and no hard feelings toward him, but to the sneaks who reported a lot of small stuff that was not worth investigating, we have the utmost contempt.

Maurice Harding, of Sikeston, is in a Peoria Hospital suffering with blood poisoning and is in a precarious condition. His wife is with him and reports received here Tuesday stated he was holding his own.

Sally Rand has just paid a fine of \$100 for roughing it up with a camera man and breaking his camera for taking a snap of her from the wings while she was doing a dance with a bubble before her, and now she fears for her privacy. Wonder where she keeps it!

The election of Tuesday was no surprise to old time Democrats as the Northern states who elected Republican Governors and United States Senators only returned to their former status as Republican States. Farmers in these Central Western States are disgusted with the way they have been treated in the allotments made, the mode of making them, the delay in getting their pay checks, the uncertainty of acreage to be planted in the main crops raised in the areas, and the change of acreage measurements by every new man who appears, and they do not know what it is all about. With foreign markets curtailed and closed doors, the United States has a Dickens of a time ahead to satisfy the farmer, the manufacturer, or anybody else.

This is one election that we believe we didn't make anyone mad. Of course we may have peeved some folks just a little bit by advising Democrats to vote their ticket straight, but results will show they didn't take our advice, so all is forgiven so far as we are concerned, until the next spring election.

## Truck Heater Fumes Fatal to Store Owner Lifeless Body Found Beside Charcoal Pan

Bill Henderson, 32,  
Of Save-Way Store,  
Park on Side Street

A charcoal heater which he kept in his delivery truck for a heater is believed to have caused the asphyxiation death of Bill Henderson, 32, co-owner of the Save-Way Grocery Store on East Greer across from the Shoe Factory, whose cold and lifeless body was found at 6:15 o'clock Thursday morning on Linn Street, just off Highway 61 near the intersection.

Frank Murray, night operator at the Home Oil Co. station across from the highway Dept. buildings on Highway 61, and Tilford West, proprietor of the restaurant in connection with the station, made the discovery.

### OBSERVES TRUCK

Mr. Murray, who knew Mr. Henderson, had idly commented about the delivery truck standing about 50 feet off the highway on the side street, and a half-block from the station.

The two men went over to the truck and found Mr. Henderson lying inside in an improvised bed which he sometimes used in the truck. The driver's seat was used as a head rest, and a car seat cushion was used for the body extending into the rear of the truck. The man was covered with blankets and apparently sleeping. When the two men tried to rouse Mr. Henderson, they discovered his body cold and stiff. City

## Bishop Watkins Here November 15

A meeting of ministers and church workers of the Cape Girardeau District of the Methodist Church, to be held at the Sikeston church next Tuesday, November 15th, will be concluded by a public service at 7:45 p. m., at which Bishop W. T. Watkins will speak. Before election to his present office last May, the bishop was professor in the Candler School of Theology of Emory University, Atlanta, Ga. A widely known scholar and author, and exceptionally able preacher, he was one of the youngest men ever chosen for the episcopacy. Assigned to the Missouri area of the Church last summer, the Bishop has quickly won the respect and cooperation of Missouri Methodists. This being his first speaking engagement in this section, the people of Sikeston are urged to attend the meeting.

Rev. J. W. Crichtow, presiding elder, will also preside at a meeting of the ministers of the churches of this district at 2:30 p. m. A dinner for pastors and stewards of all the churches will be served at 6:30 by the Russell-Bradley Woman's Missionary Society, which Bishop Watkins will speak briefly.

## Amendment 6 Across 3-1 in Scott County

Only Four of 22  
Precincts Reporting  
Turn Down Proposal

With only the election districts of Oran, Illinois and Perkins unheeded from in the county, 22 of 25 precincts in Scott County gave Amendment No. 6, the 10-year road program sponsored by the Citizens' Road Association, a decisive 3-to-1 vote in favor of the proposal. The unofficial total was 3716 for and 1205 against.

Only four of the precincts reporting, McMullin, Miner, Kelso and Benton, turned in majorities against No. 6. The combined majorities in these four communities amounted to 37 votes.

The chief population center of the county, Sikeston, handed the amendment plan an overwhelming 7-to-1 margin. The count for the city as a whole was 1523 "yes" and 223 "no." Chaffee and Fortnelt responded with a 3-to-1 favorable vote. Ward 1 in Sikeston gave the amendment the heaviest of any, but Ward 2 had the best ratio, returning virtually a 10-to-1 count.

Rural communities, where Amendment 6 is expected to perform its greatest benefits, were generally in favor of the plan by wide margins. The only outlying precinct to turn in a substantial majority against it was Kelso, which had a balance of 32 votes showing disfavor out of a total of 142 cast. Communities opposing the road plan did so because of the 1-cent gas tax increase.

The vote in the 22 precincts is as follows:

	Yes	No
Commerce	133	67
Dielstadt	50	34
Lusk	21	5
Blodgett	132	70
Sikeston 1	539	73
Sikeston 2	377	38
Sikeston 3	329	78
Sikeston 4	278	34
McMullin	35	46
Rootwad	35	30
Miner	29	37
Crowder	57	15
Kelso	55	87
Fortnelt	397	112
Amell	81	22
Chaffee 1 & 2	599	165
Benton	133	159
New Hamburg	74	53
Morley	269	103
Vanduser	73	56
Bleda	43	7
Totals	3716	1205

## Clark Leads Ticket To Win Re-election

By a lead that may reach 250,000 votes, Bennett C. Clark won re-election for the United States Senate over Former Governor Caulfield in the election Tuesday. Clark is expected to stand out at the top of the state ticket, and the returns are considered a strong boost for the presidential nomination in 1940.

## Red Cross Maps Plans for Drive Monday

75 Business Firms  
Have Representative  
Named for Campaign

Campaign plans for the 21st annual Red Cross roll call are nearing completion in preparation for the drive in Sikeston and Scott County that begins Monday.

L. Malone and Harold Ansell, county and city roll call chairmen, are directing the plans. Mr. Ansell selected a list of 75 names from business houses downtown and outlying offices and firms, these persons to represent their firms in the collection of Red Cross donations.

A committee will leave campaign material, buttons, cards and stickers at the business places Friday. This work is in charge of the American Legion Auxiliary.

A committee supervised by the Woman's Club will solicit the residential district. Persons on the downtown list and on the Woman's Club list come from all the civic organizations, who co-operate each year in the Red Cross drive.

Territory for the various collection groups was to be divided the latter part of this week.

Representatives from business places:

M. Jackson, John Powell, Duree Medley, Loomis Mayfield, C. C. White, J. E. Harper, Ed Fuchs, Sr., F. D. Lair, Lee McDougal, J. W. Foley, E. P. Coleman, W. W. Lankford, Grover Baker.

B. V. Forrester, John Cox, P. J. Norton, Ed Edelen, Ward Denman, J. S. Wallace, Vanita Harrell, E. O. DeField, Leon Groves, Leroy Heiserer, Nathan Yoffie, Vester Lipe, A. Shainberg.

Louis Graber, John Sikes, Z. E. McAmis, George Lough, C. H. Butler, Milburn Arbaugh, Bob Joyner, George Hale, Cletis Ferguson, Charles Boyce, Ralph Potashnick, R. A. Harper, J. E. Robinson.

O. N. Watts, Dan McCoy, Jr., Tom Legan, Conley Purcell, Bob Dempster, Frank Miller, Wilbur (Continued on Page 5)

## County Agents Gather Here

30, With Aids, Go  
Over 1939 Plans

Approximately 30 county agents and assistants, from St. Francois County on the north to the Arkansas Line, and to Oregon County (Alton) on the west, gathered at the Marshall Hotel here Thursday for an all-day meeting to discuss plans for 1939.

C. C. Hearne of Columbia, of the Missouri College of Agriculture, conducted the meeting.

Plans were already sent to the agents' offices and were read so that they could clarify the details with questions presented at the Thursday meeting. Plans considered the county agents' work as a whole, rather than merely soil conservation program details.

Round table discussions were held.

## DEMOCRATS CARRY ALL OFFICES IN COUNTY GENERAL ELECTION

### P.-T. A. Lunchroom to Open About Nov. 18

Organization Has Secured 110  
Members for "Dollar-a-Month" Club

The P.-T. A. lunchroom at the South Grade school will be in operation around the 18th of November. Preparations will start on the 15th and it is hoped that within a few days everything will be in readiness to serve meals.

The "Dollar-a-Month Club" idea is growing quite rapidly. This club seeks volunteer contributions of \$1 a month for the five months the lunchroom will be in operation. This may be paid on the first of each month or in a lump sum. Other contributions of smaller or larger denominations will also be very acceptable. Those who haven't joined and would like to do so may be calling 466.

The P.-T. A. wishes everyone to know that their donations are greatly appreciated, however large or small, and it is only through the aid of other local organizations and private citizens that they are able to carry on this much-needed project.

There are 110 members to date as follows:

T. F. Henry, L. M. Hollenbeck, W. E. Hollingsworth, W. L. Hut-

ers, R. H. Joyner, C. T. Keller, W. H. Keller, Dr. H. M. Kendig, M. G. Klein, F. D. Lair, Sr., W. W. Lankford, George Lee, Robley Lenox and Dr. C. W. Limbaugh.

Milem Limbaugh, Ralph Loebe, C. L. Malone, Mrs. Florence Marshall, Miss Mayme Marshall, T. A. Martin, Eddie Mathis, Loomis Mayfield, Z. E. McAmis, Dr. T. C. McClure, Dan McCoy, Sr. and Mrs. R. G. McCoy.

P. A. McDougal, Leonard McMullin, George Middleton, Franklin Moore, J. E. Moore, Jr., C. H. Moore, R. D. Mow, Sr., Lon Nall, Dr. E. J. Nienstedt, William Northington, P. J. Norton, R. F. Anderson, Merritt Beck, O. T. Elder and James Wm. Foley.

J. E. Harper, A. M. Jackson, Duree Medley, Clay Mitchell, Ralph Potashnick, C. C. White, Wm. F. Woehlecke, Murray Phillips, Jr., H. G. Sharp, C. C. Scott and Abe Shainberg.

L. H. Shivel, Paul Rankin, Lynn Waggener, Sayers Tanner, A. J. Renner, A. W. Swacker, T. A. Slack, W. H. Sikes, J. N. Ross, Sikes Hardware Store, H. J. (Continued on Page 8)

## Juniors Plan Grid Festival

To Name Queen at  
Carnival, Dance

The High School junior class will sponsor on Nov. 19 a carnival, dance and popularity contest in which a football queen will be chosen to represent Sikeston at the Thanksgiving Day game at Charleston, according to V. Laurence Knepper, sponsor of the class.

The triple event will be held in the High School gymnasium, beginning with the carnival. The dance will follow and the queen's crowning will be the climax of the evening.

Each class will select a candidate for the queen's contest, making a representative from the freshman, sophomore, junior and senior classes. The queen will be chosen by votes, each vote determined by one cent turned in for the candidate. Individual members of the class will solicit for votes and will publish notices of the standings before the contest closes. However, only the ratings and not the votes will be given before the night of the carnival. The contest begins this Friday.

Class selections for the queen contest, made Wednesday, are: Senior, Esther Jane Greer; junior, Geraldine Reed, sophomore, Helen Thompson; freshman, Mary Frances Smith.

The dance will immediately follow the crowning of the queen. The event will be known as the "Football Festival".

## No. 6 Beaten In St. Louis

Lead Elsewhere Is  
Wipe Out in City

A majority given Amendment No. 6 generally in Missouri was overshadowed by a strong vote against it in St. Louis Tuesday and the road program plan was defeated by a majority that stood around 45,000, with 850 precincts to be heard from. It is extremely doubtful if the outlying precincts could wipe out this lead.

Kansas City and most of Missouri outside of St. Louis favored the amendment raising the gas tax and providing a 10-year road program, but the St. Louis opposition was too heavy.

Over Division 10, with headquarters at Sikeston the amendment plan carried by a majority of 23,000.

Proposition No. 5, referendum merely specifying an added cent tax and no program, was also defeated.

## H. E. Dudley's Rank In Infantry Raised

Major Harry E. Dudley of Sikeston has been made a lieutenant-colonel in the 140th Infantry, Missouri National Guard, it was announced by Col. G. W. Phipps of Caruthersville, infantry commander. He succeeds Lieutenant-Colonel William B. Hitchcock of Caruthersville, who was retired Nov. 1.

## Felker Wins Close Race For Collector Position

Library Dream to  
Come True With  
Opening Monday

Complete fulfillment of the Library will be realized Monday when the new building is opened to the public.

The Library at South Grade School will be closed Friday afternoon while books are being moved to the new building. Beginning Monday, the Library will be open on Monday, Wednesday and Friday afternoons, as usual.

Miss Margaret Blair Law of Cape Girardeau, newly appointed librarian will be here this week end to help Mrs. C. A. Cook, present librarian, in the moving. Mrs. Cook will be in charge until Miss Law takes over for a full-time position Jan. 1, and Mrs. Cook will remain on the staff.

New furniture has been installed in the reading room.

## Dr. Umphrey Lee President of S.M.U.

Word has been received here that Dr. Umphrey Lee, one-time resident of Sikeston, has been appointed president of Southern Methodist University at Dallas, Tex. Mr. Lee was born in Indiana, but lived here as a boy and young man, attending High School here. He left Sikeston about 1912. For many years he was pastor of the Highland Park Methodist Church at Dallas. For the past few years he taught Bible at Vanderbilt University, in Nashville, Tenn. He is a brother-in-law of Mrs. Tessie Lee of Sikeston.

## Area Vote Goes To Democrats

With the exception of Cape Girardeau, where only two of 12 posts were won by Democrats, the election in this area Tuesday went solidly Democratic in county offices. New Madrid, Pemiscot, Dunklin, Stoddard and Mississippi went Democratic without stiff opposition. Silas Lail, retiring recorder of deeds, won for presiding judge, and John Reed won for treasurer to make the only Cape County Democratic winners.

## Schorle-Wood Realty Co. Formed

E. F. Schorle and H. E. Wood, who were in the Randolph-Wood Real Estate Agency, have formed the Schorle-Wood Realty Co. and opened for business Tuesday. They have taken the office formerly occupied by the Randolph-Wood firm in the McCoy-Tanner Building. H. E. Randolph will operate a business of his own in the same building. The Schorle-Wood company will handle real estate and loans.

## Hollingsworth Defeated by 178 Votes

Henry Tops Malone  
By 790 For Judgeship;  
Other Margins Bigger

Democratic candidates carried the Scott County general election ticket in every race, from that of township constable to the contest for United senator, Tuesday in a heavier "off-year" vote than ever before was recorded.

Most exciting of all races was the one for collector, C. E. Felker, Democratic candidate, nosing out W. E. Hollingsworth, Republican, by a margin of 178 votes. As precinct returns came in Tuesday night, the lead in this contest switched constantly back and forth, and the winner was not decided until the last two or three precincts were heard from.

For collector, Felker won 13 of 25 precincts throughout the county and carried the city of Sikeston by the thin space of one vote, 967 to 966, although Hollingsworth came out ahead in three wards here, Nos. 1, 3 and 4.

In the 1934 race for collector, with Felker and Hollingsworth again opposing each other, the incumbent won, 3764 to 2992, for a majority of 772 votes.

In the next closest contest, T. F. Henry defeated his Republican opponent, Earl Malone, for County Court judge of the First District by 790 votes. Peter Gosche won from Theodore Diebold for the second District judgeship, and Leo Pfefferkorn was not pressed by Raymond Tomlinson for the position of clerk of the Circuit Court. Only the four candidates, up for re-election, had Republican opposition for county offices.

Despite the fairly close count in the Henry-Malone race, the Democratic incumbent carried every precinct of the First District. Gosche got a majority of 1459, and Pfefferkorn 1770, but (Continued on Page 4)

## Mrs. Caleb Matthews Dies

Was First Telephone  
Operator in Sikeston

Mrs. Caleb Matthews, 60 years old, died at her home on North Sikes Avenue at 8:30 o'clock Wednesday night after a lingering illness. She had been in a critical condition and her death was expected momentarily for several days.

Mrs. Matthews was a lifelong resident of the Sikeston vicinity. She was born on Dec. 14, 1877, as Amy Steele, on the old Steele homestead 14 miles south of Sikeston, near Matthews. She was reared at this place, and at the age of 20 she came to Sikeston and was the first telephone operator here, when the exchange was in the John Chaney house at 110 North Kingshighway.

On July 3, 1904, she was married to Caleb Matthews in Sikeston, and they moved to Oran, where Mr. Matthews was engaged in farming and associated with A. J. Matthews in banking.

Mrs. Matthews' death came two days from the date of her husband's death, which occurred Nov. 11, 1933, at Oran.

Three years ago Mrs. Matthews came to Sikeston to reside, living here a year. She then went to Jonesboro, Ark., to live with her eldest son, Jackson Matthews. Last February she returned to Sikeston to live.

Surviving are four children, Jackson Matthews of Vandalia, Ill., land bank employ who was recently transferred from Jonesboro, Mrs. Gaiter Marshall of Oran, Moore Matthews of East Prairie and Mrs. V. P. Boisabuin of Sikeston; three brothers, George D. Steele of Sikeston, Francis L. Steele of New Madrid and Howard Steele of Matthews, and a grandson, David Marshall.

Funeral services will be held at 9:30 o'clock Friday morning at St. Francis Xavier Church, conducted by Rev. Fr. J. J. O'Neill, and burial, with the service of East Prairie, will be in the Sikeston City Cemetery.

# SIKESTON STANDARD

C. L. BLANTON, Editor

ISSUED TUESDAY AND FRIDAY AT SIKESTON, MISSOURI

Entered at the Postoffice at Sikeston, Scott County, Missouri, as second-class mail matter, according to act of Congress.

Rates:

Reading notices, per line... 10c

Blank Statements... \$10.00

Yearly subscription in Scott and the adjoining counties... \$2.00

Yearly subscription elsewhere in the United States... \$2.50

The general election on Tuesday was poor picking for the poor colored man. He stood around and shivered in the cold and missed the primary liquor and fifty cent pieces.

A couple of 3-year-old Kirksville children were chattering in the rear seat of an automobile the other day as the mother of one of them took a drive. One child, whose parents happened to be Republicans, said something the other didn't like. "You'd better be good," a tiny voice warned earnestly, "or I'll take you to the courthouse and have them make a Democrat out of you."—Kirksville Express.

## New Pirate Lafitte Tale in Old Papers

New Orleans, Nov. 5.—Old papers just translated show that the pirate Lafitte brothers, Jean and Pierre, accepted \$40,000 from the Spanish treasury to capture a pirate nest on Galveston Island, did it, and then took over the place themselves.

None of the legends about Jean Lafitte, the Louisiana buccaneer, is so remarkable as this story.

In 1814 the Louisiana territorial Governor, W. C. C. Claiborne, sent an expedition against the Lafittes which wiped out their stronghold off the Louisiana coast. Their fort, warehouses and slave barracks were burned. By the time Gen. Andrew Jackson won the battle of New Orleans from the British on Jan. 8, 1815, the Lafittes were a raggedy pair. They helped the General win the battle, and President Madison pardoned them.

## PIRATES HARASSING SHIPS

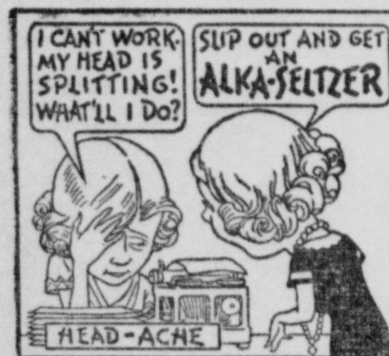

But they were still raggedy. They had their wits and a good knowledge of the Gulf of Mexico and the Gulf pirates, who were making a joke of the Spanish King's shipping. These pirates, getting rich and fat at Spanish expense, made Galveston Island their home. They even "organized a government" in the name of Mexico, rebellious Spanish possession.

By this time the King, disturbed by what was happening to his ships in the gulf, dispatched instructions to Don Jose Cienfuegos, Spanish Captain-General of Havana, Cuba. The Captain-General sent Don Felipe Fatio to New Orleans as Spanish Consul to work out a scheme for annihilating the pirates. Don Fatio met the Lafittes and wrote the Captain he thought he could trust the brothers. He gave them secret code numbers. Jean was 13-2. Pierre was 13-1.

## JEAN LAFITTE'S PLAN

Jean devised a plan for going to Galveston Island. There he would spy out the rich pirates and work out a plan by which a small fleet financed by Spanish money, could be gathered in New Orleans to crush them.

Everything went according to schedule. The Lafitte brothers received \$40,000 in Spanish gold and seized the pirate stronghold. But there they parted company with the King and set up business

How many times has a Headache ruined your day's work—spoiled your evening's pleasure?

Users of Alka-Seltzer say that Alka-Seltzer gives unusually prompt and effective relief from Headache. Try Alka-Seltzer for Acid Indigestion, Muscular, and Sciatic pains.

Alka-Seltzer contains an analgesic (acetyl-salicylate) for pain relief. Its vegetable and mineral alkalis tend to correct the cause when due to hyperacidity of the stomach.

BE WISE-ALKALIZE

## 1938 RED CROSS POSTER

The appealing figure of the Red Cross nurse presents a plea for your annual membership in the Red Cross during the roll call, beginning Armistice Day and ending Thanksgiving Day. This is the official 1938 poster of the Red Cross, and appears in the form of a window card.

on the island for themselves.

They scoured the gulf shipping, particularly the King's hi-jacked slave ships, and enjoyed prosperity until the United States Navy finally blasted them out. No one knows where they went then.

This, in short, is the story found by Harris Gaylord Warren, whose translation of the Spanish documents in the Ayer collection, Newberry Library, Chicago, is edited and printed in the October, 1938, Louisiana Historical Quarterly.

## LAND ON CONCRETE "LAKE"

A flock of about fifty wild geese, apparently attracted by the glistening lights on the wet pavement, landed in front of 446 Ward Parkway about 3:30 o'clock this morning. After a brief rest the geese "took off" and headed southward.

Mrs. Clyde Switzer, 112 Huntington road, reported today a wild teal duck was swimming around in a fish pond at the rear of her home in company with two mallards that are kept there regularly.

The duck apparently left a flock that flew over the house during the night, she said. The two mallards in the pond were hatched from eggs, she said, and their wings are clipped.—K. C. Star.

## 666 relieves COLDS Fever and Headaches

Liquid, Tablets, Salve, Nose Drops due to Colds Try "Rub-My-Tism" - a Wonderful Liniment.

Word was received here last week that Mrs. Freda Mercer was a surgical patient in a hospital in Sunset Arizona in a very serious condition. Her many friends hope for a speedy recovery.

Mr. and Mrs. Dick Benson and Mrs. Dick Alfults and children shopped in Cape Girardeau Saturday.

Mr. and Mrs. Benson Carter and two children of DeSoto were guests for a short time Monday at the Chas. Carter home.

Mr. and Mrs. Ed Estes of Flint, Mich., Mrs. Freda Appel and daughter Doloris and Joe Snider of St. Louis and several other relatives were here last week for the funeral of Mrs. Monan Tuesday.

Little Jimmie Sikes was quite sick the first of the week.

Mrs. Fannie Cooper spent the week end recently in Cypress, Ill. She was accompanied home by her sister in law Mrs. Mary Endimion and the latter's daughter and husband.

Miss Marcella Halter of Perryville spent Monday night at the home of her aunt Mrs. Mary Heiserer.

Mrs. Louis Kihafner is home from a short visit in Detroit, Mich., at the Lawrence Oliver home.

Mrs. Biddie Finley of Chicago, Ill., spent last week with her mother Mrs. Fannie Cooper.

The north group of the Baptist W. M. U. served plate lunches election day.

Mr. and Mrs. Ralph Abernathy were over from Benton Sunday afternoon. They were accompanied home by Mrs. Anna Wise who will remain for some time.

Will Whitley and family of Cape Girardeau visited Mrs. Carrie Winters Sunday.

The colored people's school building is being cleaned, repaired and repainted by WPA labor.

Everett McGinnis and George Forrester spent Friday in Sikeston at the Barney Forrester home.

Mrs. Steele and daughter Miss Thelma were dinner guests at the home of Mr. and Mrs. Roy Towns near Bloomfield Sunday.

Mrs. Georgia Williams visited in Cape Girardeau Saturday.

Mrs. J. A. Kelly of Cape Girardeau and daughter Mrs. Simon Bullinger were here for a short time the last of the week. They were accompanied to Cape by Mrs. Kelly's father Mr. Andy Metz who visited over the week end.

Several friends from Chaffee were here last Tuesday to help Mrs. Billie Bolen celebrate her birthday.

Mrs. Ida Dillingham spent the week end in Diehlstadt with her daughter Mrs. Earl Crader.

Rev. Luther Moore and family of Benton attended services at the Baptist Church Sunday.

Miss Gertrude Radcliffe of Denver, Colo., who has been visiting her cousin W. E. McLain and friends in Sikeston, Charleston and Kennett since October 1st, left for her home Wednesday.

George Forrester of Gideon visited last week with his sisters Mrs. W. E. McLain and Mrs. Carrie Winters.

Otto Schoen and mother attended church here Sunday.

Miss Veda Medling of Sikeston is visiting home folks.

Mrs. Lucy Buck of Benton was a guest in the Clemson home over the week end.

Mrs. Lora Taylor and sons of Morehouse spent Sunday at the home of her sister Mrs. Minnie Akley.

Work in the basement of the Baptist Church is progressing

## Oran News

Mr. and Mrs. Earle Carter and daughters, Mr. and Mrs. Claude Day and Mrs. Dora Day were up from Deering Sunday. Mrs. Day remained for a several days visit here and at Lutesville.

Mr. and Mrs. Walter Hardy and 3 children of Burlington, Colorado and Mrs. Ruby Tucker and daughter Shirley of Kansas City, Kan., spent Monday night with Mr. and Mrs. Chas. Carter.

The Hardy family lived on the base line road near Morley until several years ago when they located in Colorado.

Mrs. Otis Bryans, Mrs. Sain Tindal and Miss Dixie Hedger were in Cape Girardeau Saturday. Miss Hedger remained over Sunday.

Mr. and Mrs. Ludwig went to Red Bud, Ill., Sunday to visit their daughter who is quite ill.

Mrs. Chas. Rogers attended a W. M. U. meeting in Fisk Thursday of last week.

The south group of the Baptist Missionary Society held an all day quilting at the home of Mrs. Bess last Thursday.

Mrs. Nora Crafton was hostess to the monthly meeting of the W. M. U. Friday.

R. W. Harper, Sr., expects to open another grocery store in the room vacated by the Kroger Co.

Adrian Harper will be in charge.

Mrs. Everett Brann entered the S. E. Mo. hospital at Cape Girardeau Wednesday of last week and on Saturday morning was operated on for goitre.

## Nazis Order Jews to Ask Friends to Stop Propaganda

Vienna, Nov. 7.—Brown-shirted S. A. storm troopers were reported reliably yesterday to have ordered Jewish families in Vienna's Leo Poldstadt quarter to ask friends and relatives abroad to halt anti-German propaganda.

The uniformed troopers were said to have visited the homes of Jews and to have remained while the letters to those abroad were written. The brownshirts took the letter to the Postoffice themselves.

4. New Amola Steel Coil Springs.
5. Ingenious New "Safety Signal" Speedometer.
6. New Streamlined Safety Headlamps.
7. Time-proven, Double-Action Hydraulic Brakes.
8. All-Steel Body, Completely Rust-Proofed.

## YOU'LL BE SURPRISED

# Prosperity Notes

(Compiled by Dwight H. Brown, Secretary of State.)

The Bureau of Agricultural Economics forecasts that 1939 will be a better business and industrial year than this one, but not quite as good as 1937. Important industries which the bureau said were expected to contribute to a 1939 rise in production were automobiles, building, steel, textiles and miscellaneous consumers' goods. Improvement in production of producers' goods—equipment and materials for industrial plants and railroads—may be somewhat delayed, the bureau said, due to relatively unfavorable situations in the important railroad, utility and private non-residential building industries.

A dozen big utility companies, joining hands with the federal government in its national defense program have disclosed they would spend \$2,000,000,000 in the next two years to expand the output of electric power. This amount, said Floyd L. Carlisle of the Consolidated Edison Com-

pany of New York, would virtually double present such expenditures. As the first step, the utilities announced "definite commitments" for enough factory orders to supply generating equipment capable of producing 1,000,000 kilowatts.

Actual reserves of federal reserve member banks expanded 47 million dollars in the week ended October 26 to an all-time high of \$8,740,000,000 the weekly condition statement of the system reveals. Excess reserves, however, were restricted by substantial increases in deposit accounts during the week and showed a net rise of only 10 million dollars at \$3,280,000,000. This was the second largest figure on record, falling 24 million dollars short of the peak established on December 11, 1937.

The Federal Home Loan Bank Board that savings invested in Missouri's 65 insured savings and loan associations increased \$2,791,600 during the last 12 months to a total of \$43,072,150. Loans made by the associations for construction, purchase, reconditioning and financing of Missouri homes rose from \$44,078,630 to \$47,956,520 for the period from September 30, 1937, to October 1, 1938, and increase of \$3,877,890.

General economic conditions are "mostly favorable to a continuance" of the recovery which began last summer, Dr. F. L. Thomsen, principal economist with the United States Bureau of Agricultural Economics, told a farmers' week audience at Columbia recently. "Industrial activity and consumer incomes in the United States are expected to average substantially higher in 1939 than in 1938," Thomsen said.

The national steel making rate rose 3 points the last October week to 54.5%, a high for 1938 and for the first time this year ahead of the rate for the corresponding 1937 period, the magazine "Steel" says. Districts catering principally to the automotive industry were responsible largely for pushing up the rate.

General business activity which had increased substantially in the late summer developed further betterment in September and the first half of October, the St. Louis Federal Reserve Bank reports in its survey of the Eighth District, which includes St. Louis. Net sales of St. Louis department stores in September were 43.6% more than those of August. The volume of retail trade in September measured by sales of department stores in principal cities of the district, was 37.8% greater than in August.

Secretary of Commerce Roper reports that income received by persons in the United States increased in September—the fourth consecutive monthly increase. The index of income payments increased from 82.5 in August to 83.3 in September. Despite recent increases, however, the index still is 8% below the recovery high of 90.2 recorded in August, 1937. During the first seven

## New Kitchens Feature Modernized Lighting

In this modern kitchen, side light fixtures contribute to convenience and ease of seeing.

By Jean Prentice

A modernized kitchen is one of the things many a woman yearns for, now that pumpkin pies and roast turkeys and all the trimmings are just around the corner. And one of the earliest ways to begin this modernizing is with an additional side light fixture or two.

In all but the tiniest of kitchens a single ceiling fixture is insufficient for good working light. Chances are that if you have only a ceiling light, you stand at your sink, table or range with the concentration of good light behind you, with your shadow falling on your work and slowing up your vision. Hence the need for side lights.

There are a number of ways to provide these, depending upon the condition of your pocketbook.

One of the easiest and cheapest is the portable wall lamp. This can be hung as quickly as a picture, and its socket plugged in at the nearest electric outlet. In a breakfast nook, too, such a lamp can be used with nice effect, and there are many types of shades provided with these units.

Frequently in new kitchens the wiring has been planned so that permanent side fixtures can be installed above all the working areas. The shades of these fixtures should be dense enough to sift out glare and to distribute an abundance of smooth light. Peek beneath the upper cupboard in some new kitchens and

you will see another source of local work-light. Hugging the wall close beneath the cupboard are strung the new tubular bulbs. These are not visible to the eye when one is standing and working, but the light is there when it is needed.

In still other kitchens there's a lighted glass panel in the ceiling above the sink. This gives good lighting if the built-in box above the glass is large enough to accommodate bulbs of adequate size.

Purely for beauty and decoration is the use of a glass or plastic wall between the upper cupboard and the top of the lower one, with colored lights shining through. The colors are easily changed at the flip of a switch.

months of 1938, national income payments, including salaries, interest payments, social security and relief payments totaled \$47,300,000,000.

Earnings of Bethlehem Steel corporation, second largest unit in the industry, rose to \$446,866 in the September quarter this year,

compared with \$150,305 in the preceding three months, a report made public by the company discloses.

### Trailer with Tigers Stolen

Poplar Bluff, Nov. 7.—The State Highway Patrol here was asked today to help find a man who

early this morning stole a truck and 22-foot trailer from the Harwell Shows at Gideon.

The trailer, highway troopers were told, contains monkeys, apes, two tigers and a lion.

The Sikeston Standard \$2 per year

## Landers Ridge News

Miss Zelma Kem and Doyle Foster entertained members of Intermediate Boys' and Girls' Sunday School classes of the local church Thursday evening with a party and supper.

Miss Evelyn Porter spent the earlier part of the past week with her sister, Mrs. Clyde Hastler of Bertrand.

The Scott County "Bowl Bearing" quartet of Chaffee rendered special song service at the local church Sunday evening. The instructor, Irvin Thompson, will conduct a singing school here in the near future.

S. M. Baker transacted business in Thayer, Mo., the earlier part of the week.

Mr. and Mrs. Doyle Foster were delightfully surprised Sunday when Mr. and Mrs. Will Foster and sons, Mr. and Mrs. David Hughes, and Mr. and Mrs. Ike Foster and family gathered at their home with prepared luncheons, the occasion being Mr. and Mrs. Foster's first wedding anniversary.

Mr. and Mrs. A. J. Heuser and family and Mrs. Mamie Johnson attended last rites held for Lewis Klingbe at the Sikeston Baptist Church Sunday afternoon.

Mr. and Mrs. James Lomax and family, Arnold B. Heuser and Mr. and Mrs. Joe Seaton of Lilbourn spent Sunday with Mr. and Mrs. Charles Rhodes and Mrs. Francis Rhodes of Matthews. The occasion was the birth anniversary of Mr. Rhodes and the first wedding anniversary of Mr. and Mrs. Joe Seaton.

Rev. Roscoe Priddy of Sikeston filled his regular preaching appointment at the local church Sunday morning and evening. While here he and Mrs. Priddy and children were guests of Mr. and Mrs. Chester Stafford and family.

Wm. Dalton, Mr. and Mrs. Finis Dewitt and Louis Kem and daughter, Zelma, transacted business in Risco Friday evening.

Mr. and Mrs. Hartlein spent Sunday with Mr. and Mrs. Earl Laster and sons.

Mr. and Mrs. Lewis Kem and children were guests of Mr. and

Mrs. A. L. Kem and daughters of Big Opening Sunday afternoon.

## SHOOTS SNOW WHITE WILD GOOSE

Cairo, Ill., Nov. 7.—A snow white goose, with only a touch of

gray at the tips of its wings was shot down by Benny Kobler, hunter on the Howard Young farm near Olive Branch last week. The bird was the only white one in a large flock of wild geese winging their way South.

• The new cars in the Ford Quality Group for 1939 give you a broad choice. Whichever you choose, whatever you pay, you'll get top value for your money. That is true of the lowest priced car or the highest. All have one important thing in common—inherent quality.

Their quality comes from fine materials, precision workmanship, and from the fact that back of these cars is the only automobile plant

of its kind—where production processes are controlled from iron ore to finished car—and savings passed along as extra value.

Things are happening in the automotive world this year! Nowhere is the advance more marked than in the Ford Quality Group. See our dealers before you buy any car at any price.

## SIKESTON STANDARD

C. L. BLANTON, Editor

ISSUED TUESDAY AND FRIDAY AT SKESTON, MISSOURI

Entered at the Postoffice at Skeston, Scott County, Missouri, as second-class mail matter, according to act of Congress.

Rates:  
Reading notices, per line . . . 10c  
Bank Statements . . . \$10.00  
Yearly subscription in Scott and the adjoining counties . . . \$2.00  
Yearly subscription elsewhere in the United States . . . \$2.50

The St. Louis Star states that the defeat of T. J. Pendergast as a state-wide influence must be accomplished in the Democratic primary. Just as long as the Pendergast organization exists it will have a more or less state-wide influence as it and Southeast Missouri are the only organizations that can be counted on for Democratic votes. Long may T. J. live and his organization flourish.

In reading proof we discovered a paragraph stating that an entertainment had been given in honor of "Mothers Week End". We cut the end off and passed the paragraph on. Another story in this issue the proof sheet read: "Family Vaccinated Against Babies." We marked out the B and inserted an R.

A man 88 years of age took unto himself a blushing bride of 78 and after a two weeks honeymoon spent at Hot Spring returned to their home and advertised in the local paper to rent a home near a school. This is what might be called optimism.

### 41 Nations Sell Xmas Seals to Fight Tuberculosis

With Armistice Day celebrations planned all over the nation in observance of the twentieth anniversary of the end of the World War, the Missouri Tuberculosis Association today reminded people that more persons die of tuberculosis each year than were killed or died of wounds during America's participation in the War.

Tuberculosis causes 70,000 deaths in this country every year against the 50,000 who died in France during this country's 18 months in the War, the association declared.

Because of the tremendous death rate all over the world from tuberculosis Christmas Seals are sold in 41 nations to combat the disease. These nations, affiliated with the international Union Against Tuberculosis, issue the holiday stickers selling at a penny each to raise funds to fight tuberculosis.

"Although nations may disagree on other issues, forty other countries besides the United States are engaged in fighting tuberculosis and it is through international cooperation that the battle against tuberculosis can be won," the association pointed out.

On our own home front more than fifty million Tuberculosis Christmas Seals will be sent in the state of Missouri in preparation for the 32nd annual Christmas Seal Sale which will start Friday, Nov. 25. Proceeds from the Seal Sale are used in the preventive and educational work done by the Missouri Tuberculosis Association and its county organizations throughout the year.

Those desiring seedling trees for spring planting under a cooperative farm forestry plan should make application to county extension agents. Authority for taking orders has been granted to the county agents by the Conservation Commission and the College of Agriculture Extension Forester. Nearly a million and a half trees, produced at the Licking Nursery, will be available at \$2 to 3 per thousand, to be used for woodlots, erosion control and wildlife plantings.

## MULES FOR SALE

R. D. Clayton, the mule man, has 50 good 2 and 3 year old mules at Sheriff Stanley's barn, town of New Madrid for sale or trade

**R. D. Clayton**

## Democrats Carry

(Continued from Page 1)

Diebold carried Kelso and Bleda, and Tomlinson, in the circuit clerk race, came out ahead at Fornfelt and Morley.

### STATE TICKET

Majorities of better than 2000 votes were handed each of the Democrats in the state ticket, Judge James M. Douglas rating the heaviest lead of 2813. Voters in the county favored re-election U. S. Senator Bennett C. Clark, Albert M. Clark for Supreme Court, Orville Zimmerman for Congress and Lloyd King for school superintendent.

While they are not expected to change any county results, 105 absentee ballots applied for, and the majority of them returned, are expected when counted Friday to raise the total vote to 200 over the 1934 total, the last election when presidential candidates were not running and hence termed an "off-year" election.

The office of the county clerk estimated that 100 of the 105 absentees would be returned, and that of this 100, to be counted Friday, fully 90 per cent are from Democratic voters. The result is expected to show the largest off-year Democratic majority in Scott County.

### HEAVIER COUNT

In the 1934 race between Truman and Patterson, there were a total of 6770 cast for U. S. senator. The Clark-Caulfield race Tuesday brought out 6873 votes, which with 100 more from the absentee bracket makes a total of 6973, or 203 more ballots cast in the 1938 election than in the 1934. In proportion, the Democratic vote of Tuesday will run about 200 over the '34 count.

The past August, in the primary, the Democrats polled a total of 7400 votes, but issues among individual candidates always draws out a bigger vote than in a general election.

Figures on the vote for unopposed candidates were not relayed to the county clerk's office from many polls for the unofficial county. However, in each precinct where they were tabulated and given out the count was generally higher than that of any Democratic candidate with Republican opposition. Candidates without opposition were J. S. Wallace for state representative, David Blanton for prosecuting attorney, J. D. O'Connor for presiding judge of the County Court, O. L. Spencer for judge of the probate court, Harry C. (Buzzie) Watkins, Jr., for clerk of the County Court, H. F. Kirkpatrick for recorder of deeds, Emil Steck for treasurer, and John Hobbs for sheriff (unexpired term).

Amendment No. 6, calling for the 10-year road program, carried by a 3-1 majority in the county. Amendment No. 4, reducing the age of old-age pensioners from 70 to 65 years, was reported to have carried. Precincts in many cases did not report the count on the eight amendments and one proposition and a final tabulation will not be available until the official check-up made by the county clerk and two justices of the peace at 10 a. m. Friday.

All township winners in justice of the peace and constable races were Democrats. In instances where the township contests had two to elect and there were more than two candidates, the Democrats generally polled about the same vote, which was higher than that of Republican opponents.

Barney Forrester and his son, Buddie, visited in Oran Sunday afternoon.

## FINE LIQUORS at Lowest Prices

You may find a store with a greater variety of liquor, but you certainly won't find one with FINER liquor than we have here at Joyner's. Our selection is made from only the long-established American and European distilleries and wineries. Our low prices guarantee the best in liquor for the least money.

Malone Avenue

## Large Crowds Continue to Go To Baptist Revival

Large crowds continue to attend the revival services being conducted at the First Baptist Church by the Rev. Dr. Otto Whittington of Little Rock, Ark., and much interest has been manifested with 15 additions to the church up to Wednesday.

Dr. Whittington, formerly pastor of the Immanuel Baptist Church in Little Rock, is a forceful speaker with a dynamic personality. He has his subject well in mind, and has a way of imparting it to his audience in a masterful manner. Since the revival meeting began he has not failed to bring inspirational messages at any of his services.

Otto Whittington, Jr., son of the evangelist, has complete charge of the music, and besides having an unusual talent as a vocalist, himself, he is a good leader, and engages the congregation in the singing of good, old-time, gospel hymns each evening preceding the sermon.

Services are also held each week-day morning except Saturday, at 10 o'clock, with Dr. Whittington in charge, and prayer meetings for the adults are held each evening at 7 o'clock preceding the evening service.

A meeting for the Junior and Intermediate boys and girls is also conducted at 7 o'clock each evening, with Otto, Jr., as leader.

Dr. Whittington announced that he expects to preach on "The Second Coming of Christ" tonight (Thursday). Other subjects which he may speak from during the rest of the week are "Heaven", "The Three Crosses", "The Daysman", and "Where God Turns Out the Lights on the Way to Hell".

For his subject Sunday morning at 10:45 o'clock he has chosen "What Must I Do To Be Saved?" and for Sunday night, 7:30 o'clock, the last service of the two weeks' series, he has chosen the subject "The Harvest Is Now Past".

The public is cordially invited to attend each service.

### M. P. HAMBY TO RESPONSIBLE POST

M. P. Hamby, formerly of Skeston, has been appointed assistant traffic manager of the Dallas Cotton Exchange, a large concern in Dallas, Tex. Mr. Hamby, a brother of Jess Hamby, Skeston barber, went to High School here and was quite an athlete, being noted as a runner. He went to a national track meet in Chicago from Skeston.

### FIRST BAPTIST CHURCH

Sunday School—9:30 o'clock. Bill Hayden Superintendent. Morning worship—10:45 o'clock. Sermon by Dr. Whittington. Subject: "What Must I Do To Be Saved?"

B. T. U.—6:30 o'clock. Lewis Miller, Director. Evening worship—7:30 o'clock. Sermon by Dr. Whittington. Subject: "The Harvest Is Now Past." Rev. E. W. Milner, Pastor.

Barney Forrester and his son, Buddie, visited in Oran Sunday afternoon.

Democrats generally polled about the same vote, which was higher than that of Republican opponents.

## Sikeston Personal News

### TAKEN TO HOSPITAL

Merle Evans was taken in the Albritton ambulance to the Brandon Hospital in Poplar Bluff, Sunday, for examination and a possible operation. Mrs. Merle Evans and Mr. Evans' mother, Mrs. Ella Evans accompanied him to the hospital.

## Zimmerman Back In By 12,000

Carrying every county in the 10th Congressional District except Cape Girardeau and Bollinger, where a close vote was indicated, Orville Zimmerman won re-election to Congress over his Republican opponent, Ralph Hutchinson of Caruthersville, by a majority that may exceed 12,000 votes as only scattered precinct returns were missing. Hutchinson's lead over the Kennett Democrat in Cape County was approximately 50 votes. Zimmerman carried Pemiscot, his opponent's home county, by a thousand votes, New Madrid by nearly 4000, Scott by 2600, Dunklin by 2000, and Stoddard by 1400.

For the first time since it was instituted, Armistice Day on Friday, Nov. 11, will be observed as a national holiday. This is so because of an act passed by the last Congress. Skeston Legionnaires and Auxiliary members will go to Dexter for a district celebration. Whether the national holiday aspect would cause merchants generally to close business houses was not determined Thursday.

## Armistice Day a National Holiday

Skeston Legionnaires and Auxiliary members will go to Dexter for a district celebration. Whether the national holiday aspect would cause merchants generally to close business houses was not determined Thursday.

### FAMILY VACCINATED AGAINST RABIES

Five members of the A. M. Jackson family on Moore Avenue were to take Pasteur "shots" against rabies after a small bird

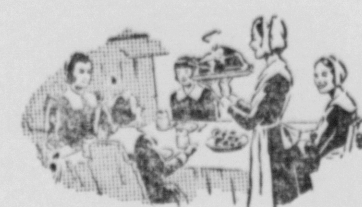

dog owned by the family was discovered to have gone mad. The dog had been injured when run over by a car, was treated and recovered, later developing rabies. None of the family was believed to have been bitten.

The Skeston Standard \$2 per year

## AUXILIARY HEAD COMING TO DEXTER

Mrs. Harry I. Smith of Kansas City, department president of the American Legion Auxiliary in Missouri, will be present at Dexter Friday for the district Armistice Day celebration.

## Truck Heater Fumes

(Continued from Page 1)

police and the coroner were notified.

## FATAL FLAMES

Besides the body, in the rear part of the truck, was a bucket containing charcoal. There was no fire in the charcoal, which produces a deadly gas and is fatal in a closed space. The man had been dead for several hours. The charcoal fire must have gone out after giving off a heavy quantity of the fatal fumes.

Mr. Henderson, with Herb Goza. He was an only child and cery. He lived with Mr. Gozey at 522 Gladys. His wife has been working at Cape Girardeau. She was called to Sikeston and made funeral arrangements Thursday. The body was removed to the El-lise Funeral Home.

County Coroner John F. Nun-neled, Jr., after an investigation said no inquest was necessary and that carbon monoxide poisoning was the cause of the death.

Mr. Henderson was born at Millersville, north of Jackson, and reared there. Two years ago he came here from Cape Girar-deau, where he clerked in a store, and entered partnership with Mr. Cozey. He was an only child and had no children himself. His mother, 82 years old, lives at Charleston. Funeral services will be held Sunday afternoon at Cape Girardeau.

He once clerked in the North Kroger store in Sikeston.

## No Need to Leave the Porch to Tune Radio—Philco Mystery Control Does the Work

The most sensational and revolutionary invention since radio itself appeared has just made its appearance in the form of a little box, weighing about two pounds, and possessing a mysterious power to tune stations, regulate volume, and silence a radio located as much as seventy-five feet away—all without the use of wires. With this Philco Mystery Control it now is possible to control and regulate the radio in the living room from the bedroom, the kitchen, the dining room, the porch, or even out under the trees with no more effort than the flick of the finger on the dial of the little control box. Above it is shown operating on the porch and controlling the radio in the house. The little speck of light on the panel of the radio shows the station tuned by the Mystery Control.

novel meeting in this city Monday, Nov. 28.

The monthly business meeting of the Womans Christian Temperance Union was held at the home of Mrs. Margaret Spence Thursday, Nov. 3. The next meeting will be the first Thursday in December at the home of Mrs. Lacy Owing.

Quite a number from here are expecting to attend the all day Thanksgiving service at the church of the Nazarene in Bell City, Nov. 24.

Rev. Frank Lowry pastor of the Baptist church in West Frankfort, Ill. a former minister in and around Sikeston and Morehouse attended the revival services at the Baptist church Friday night.

Mrs. Marshall Spence, received word that her sister's husband, J. B. Hadley of Terre Haute, Ind., was buried that day. Mrs. J. B. Hadley was formerly Miss Ruth Vanvactor who taught school here in our Morehouse schools about five years ago and whose father deceased only a few months ago was formerly a farmer in this community. Mrs. Hadley has many friends here who will be

sorry to hear of her bereavement.

The crowd in attendance at the Pentecostal Fellowship Meeting in this city Sunday was so large it was impossible to seat them. There were 21 ministers from various places. It was a beautiful day for the sumptuous dinner served on tables in the church yard, and a baptismal service was conducted in Little River near the bridge at the close of the afternoon service.

Mr. and Mrs. John Carrington and family attended a birthday dinner of Mrs. Carrington's Great Uncle who was 94 years old Friday, Nov. 4 at his sons home with whom he lives there were five generations present.

## CHRISTIAN CHURCH

During the absence of the pastor the pulpit will be filled next Sunday morning by Prof. William E. Mahew, principal of the local High School. Let us make this a school service by all young and old people giving him your support.

The evening services will be

## LOCALS

## PHILCO Invents New FARM RADIO

Come in and see the most startling, most sensational radio ever invented for unwired homes! Entirely new and different—not 6 volt, not 2 volt. Costs as little to run as an all-electric set... gives you all the convenience and reliability of electric operation... at the lowest prices in Philco history!

## NO WIND CHARGERS!

No need, now, to buy expensive wind chargers that are troublesome to erect, that require upkeep and repairs, that "let you down" if the wind falls!

## NO WET BATTERIES!

No need, either, for messy, cumbersome wet storage batteries that cost real money... that are unsightly to handle, unsightly to have around!

## NO MORE NEED FOR CHARGING BATTERIES

Best of all, you never have the bother, delay and expense of charging batteries. Philco's sensational Battery-Pack gives a full season of trouble-free operation and costs so little to replace, you never need to recharge batteries again!

## Marvelous Tone and Power

You'll be amazed at the power and performance of the new 1939 Philco Farm Radios... and the way they bring in programs even in the daytime—clearly, enjoyably. You'll be thrilled by their fine, natural tone... their many new features... their handsome cabinets. And you'll welcome their low first cost as well as their startling ECONOMY! Here, at last, is the radio that brings you and your family lasting and thrifty enjoyment.

Come in! See it! Try it!

## New Mercury 8 Town-Sedan

THIS Mercury 8 town-sedan is one of the four body types of the newest car in motordom. It is a big car, with 116-inch wheelbase and measuring more than 16 feet from bumper to bumper. Its V-8 engine develops 95 horsepower. Brakes are hydraulic enabling the driver to

slow down or stop quickly with light pedal pressure. The town-sedan is the "flagship of the Mercury fleet." Both seats hold three passengers comfortably. Interior appointments are luxurious. There is an exceptionally large luggage compartment. White sidewall tires are extra.

## 'Prisoner at the Bar'

One of the most thrilling pleas ever heard in Court will be presented at the Morehouse First Baptist Church Thursday Nov. 17th, 1938 when 21 prominent citizens from the various local churches present the widely heralded "murder trial" entitled, "Prisoner at the Bar". Trial begins promptly at 7:45 p. m.

The trial deals with a man, N. R. Johnson, who under the influence of liquor has "killed" his wife and left three motherless children. Mr. Johnson is then "tried" for murder. The drama tells the story of a returned soldier, influenced by wet repeal propaganda and trapped by the modern liquor sales system. The prisoner pleading for what he values more than life, the judge torn between pity and duty, the attorneys battling brilliantly for

a life at stake, the finger-print expert, the jury spell-bound by the gripping incidents of this tremendously impressive and effective temperance play. The 21 local citizens who will assist in the trial are as follows:

Judge—Chas. B. Allbright.  
State's Attorney—Rev. M. H. Markley.  
Defense Attorney—Rev. Harold Ray.  
Prisoner—N. R. Johnson.  
Ed Johnson (Sheriff)—Fred Lamack.  
Tom Hamlin (Finger-print Expert)—Rev. Lawrence Ray.  
Mrs. Frank Hall (Star Witness)—Mrs. Floyd Vick.  
Dorothy Jones (Prisoner's Daughter)—Wilma Ruth Caldwell.  
Clerk of Court—Herschel Gray.  
Court Bailiff—Wm. (Bill) Bryant.

Summoned on the jury: D. L. Fisher, Herschel Hellum, Mrs. Irma Ray, Mrs. Eva Lamack, Guy Owens, Mrs. Thekla Bowman, Marion Clark, Joseph Lacy, Mrs. Cora Rauch, Joe Lowe, Mrs. Margaret Spence, Mrs. Lillian Grossman.

Admission to the trial will be free. A voluntary offering will be taken. The trial is being sponsored in co-operation of the churches and everyone is invited to attend. This is the first appearance of this trial in Morehouse and a large crowd is expected to fill the First Baptist church is the citizens of Morehouse attend the drama as they have in other places. The trial has been given in Chicago, Washington, D. C., Kansas City, Los Angeles, St. Louis, Minneapolis,

## Rural News From New Madrid County Extension Bureau

Leslie A. Broom, Agent

### 1938 CORN LOAN AVAILABLE UNDER AAA PROVISIONS

Many New Madrid County farmers have been inquiring whether or not there will be a loan on the 1938 corn crop, says County Agent Broom.

The 1938 Agricultural Adjustment Act provides that the Commodity Credit Corporation may make loans on corn available during any marketing year: (1) When the November estimate exceeds the normal domestic consumption and exports, or (2) in any marketing year when, on November 15 or at any time thereafter, the farm price of corn is below 75% of parity. However, if the marketing quota level is reached and farmers vote against the adoption of quotas, no corn loans can be made.

All indications at the present time are that a loan will be announced on 1938 corn. However, this cannot be done until after the November 15 date as stated above in the act. Therefore, it will probably be about December 1 before there will be any available information.

Announcements will be made through the county papers and other sources just as soon as it is received in the county office. If a loan is announced, the following general requirements will be made: Ear corn must be merchantable; husked field corn, grading No. 2 or better and containing not more than 20% moisture; deductions will be made on the loan if it exceeds 15% moisture.

Crisps must be in sufficient conditions to protect the corn from weather, rats, mice and weevils, because the farmer is responsible for maintaining the corn at the No. 2 grade until the loan is called.

Specific details will be furnished when available as stated above.

### SEED SHOULD BE RECLEANED BEFORE SAMPLING FOR TESTING

Much too frequently for the growers' good, samples of farm seed sent to the Seed Testing Laboratory at the College of Agriculture for purity and germination testing are drawn before the seed has been recleaned, according to County Agent Broom. Whenever this is done, the seed usually contains shriveled seeds, weed seeds, trash, dirt and other material that lower both the purity and germination percentages. Obviously, this is contrary to the producer's interest. Too, a test of uncleaned seed does not give the prospective buyer much information on how good the seed could be made.

To avoid these objections, everyone wishing to have seed tested is advised to reclean and otherwise prepare the seed to put it into the condition in which he would offer it for sale before drawing the samples. The sample should be made up of small quantities drawn from several parts of the lot of seed. This plan will help him comply with the various seed laws, obtain the most informative test and satisfy the prospective customers as to the actual quality of the seed.

Remember the seed testing laboratory is conducted solely for the farmers benefit and the following of these suggestions will aid farmers to get the best results and benefits from the laboratory.

### TRANSPLANT TREES NOW

Many of the homes in New Madrid County would be much more pleasant if there were more shade trees in the yards.

As soon as the trees are dormant in the fall is a good time to move them, then they get their roots well established ready to begin growth with the first rains of the spring.

There are plenty of nice little trees out in the woods that can be moved into the yard. Just a little work, no money, expended, but plenty of shade. Cotton wood and soft maples seem to be the most easily moved but the elms, gums and oaks live longer.

Detroit, and many other towns and cities before audiences as high as 3,000 people.

## Methodist Minister Controls Congregation

Teaches Members How To Stop Coughing in His Church

The Reverend George W. Lelious, well-known Columbus, Ohio, minister, has found the solution to the disturbance caused by a coughing congregation. Knowing the danger of spreading deadly disease germs by an innocent cough, he was prompted to get up in his pulpit and make the following statement:

"Attendance in church is very necessary to the well-being of the human race, but there is certainly no use of a person coming to church on Sunday morning suffering with a cough due to a cold and disturbing the entire congregation, when it is such a simple

# JIMMY HATED SCHOOL UNTIL...

I HATE SCHOOL! ALL I HEAR IS, 'PAY ATTENTION! SIT UP STRAIGHT! STUDY YOUR LESSON!' I HATE IT!

WE TEACHERS FIND MANY CHILDREN HATE SCHOOL BECAUSE THEY GET TIRED AND NERVOUS AND LOSE INTEREST. HAVE YOU TRIED GIVING JIMMY HOT RALSTON WHEAT CEREAL FOR BREAKFAST?

RALSTON WILL HELP KEEP HIM FROM TIRING BECAUSE IT SUPPLIES THE ENERGY OF WHOLE WHEAT. IT WILL HELP HIS NERVES, TOO, BECAUSE IT IS ENRICHED 2 TIMES WITH PRECIOUS VITAMIN B WHICH DOCTORS SAY YOUNG NERVE SYSTEMS MUST HAVE. TRY RALSTON.

## MOTHERS! Here's why Ralston does more for your children than ordinary cereals

"Most foods supply too little of certain vital food elements a school age child must have," say many doctors. Ralston... the hot wheat cereal children love to eat helps make up for these deficiencies.

Ralston is whole wheat... only the coarsest bran removed. Provides phosphorus for strong bones and sound teeth—proteins for healthy flesh—carbohydrates for body heat and energy.

Ralston is 2 times richer in Vitamin B... the vitamin doctors say every child must have. Aids digestion, creates eager appetites, helps prevent nervousness, promotes all-around growth.

Ralston is served hot... more satisfying, more sustaining. A better way to start the day.

Children love Ralston. They "go for" its rich, delicious flavor. Eat it regularly. No coaxing.

COOKS IN 5 MINUTES—COSTS LESS THAN 1¢ A SERVING. Serve Ralston regularly. Order a package from your grocer today.

TOM MIX, FAMOUS COWBOY SAYS,

MEN... TRY A BREAKFAST OF HOT RALSTON! IT SURE STICKS TO YOUR RIBS. AND IT'S MIGHTY FINE TASTY!

Tune In Tom Mix Ralston Straight Shooters' Program, 5:45 P. M., Mon. to Fri. N.B.C. (Blue Network) and W.N.A.C. Presents offered!

3 WEEKS LATER. GEE, DAD, I WON THE SPELLING CONTEST YESTERDAY. LESSONS ARE EASY WHEN YOU LIKE SCHOOL. ATTA BOY, SON. WE BOTH OWE MOM A VOTE OF THANKS FOR DISCOVERING RALSTON. RALSTON CERTAINLY DID WONDERS FOR JIMMY. EVERY MOTHER SHOULD TRY IT!

## Scott County Farm Bureau News

### JOE DIEBOLD, KELSO, PURCHASES PUREBRED SIRE

Joe Diebold of near Kelso purchased a Registered Guernsey Bull from Dr. John Nevitt of Cape Girardeau last week. The bull was bred by Sunnyside Farms of Bismark, Missouri, and is said by Guernsey breeders to be one of the best in the state.

This purchase is an outgrowth of the work of Dr. John Nevitt, The First National Bank of Cape Girardeau and the Agricultural Extension Service who have been promoting a livestock improvement program through the use of good registered sires.

Mr. Diebold has purchased the sire for use in his Guernsey herd, but also is offering the services of his bull to his neighbors for a very small service charge.

It is hoped that good registered sires can be placed in other communities in Scott County on a co-operative basis.

The First National Bank of Cape Girardeau is offering to buy a good registered sire and place him in any community where enough people will agree to use the animal to keep him busy. A small service charge on each animal bred is the only cost to the persons using the sire. The money paid is as service for is to be paid on the purchase of the sire. When the bull is paid for, he becomes the property of the farmers who have contributed service fees.

Further information about this may be obtained at the Scott County Farm Bureau Office.

### 4-H CLUB AT ORAN WILL GATHER

Persons interested in organizing a 4-H bred heifer club will meet Monday evening, Nov. 14, at the Oran High School, to discuss minor details of organization and securing of calves, with James D. Meyers, Ass't County Agent, Dr. John Nevitt, and representatives of the First National Bank of Cape Girardeau.

At present thirteen boys and girls in and near Oran have indicated that they would like to have a club.

# BUY YOUR Ralston Wheat Cereal From Your Independent Grocer

We keep him supplied with FRESH RALSTON WHEAT CEREAL AT ALL TIMES

McKnight-Keaton Grocery Company, Skeston Distributors of Fox, Radio, Golden Drip, Taste-Good Brands and Ralston Wheat Cereal

Mothers: Get your Boy or Girl a Genuine Fountain Pen FREE!

The Agricultural Extension Service will help a local leader train the boys and girls in care, feeding and management of the heifers. The First National Bank of Cape Girardeau is helping the boys and girls finance purchases of good purebred registered heifers and Dr. John Nevitt is helping locate heifers of the type and breeding desired.

Several people in the Hooe School Community are interested in the same type of club. If enough are interested, a club will be organized there.

Anyone who is interested is very welcome to the meeting Monday night, Nov. 14. The place, Oran High School. The time 7:30.

## Cape Girardeau Comes to Battle Next With Bulldogs

### Central High Always Has Strong Team

Sikeston Is 'Tigers'  
Jinx Team, Winning  
Twice in 3 Years

An ancient enemy invades the Bulldog stronghold this week for the final home game of the season.

Almost the traditional foe that Charleston is to Sikeston, Cape Girardeau Central High will send Coach Lou Muegge's Tigers here Friday night primed to topple what has proved to be Cape's chief jinx team.

Scanning back over the records for the past four seasons, including this year's, the fan finds that the Tigers have been beaten but four times in some 30-odd games. And, significantly, two of these defeats have come from these pecky Sikeston Bulldogs. The other two were at the hands of Paducah, last year, and to Maplewood earlier this season.

#### THOSE TWO UPSETS

Coach "Peg" Mahew's elephantine line last year at Cape Girardeau put up a defensive game that will go down in the annals of Southeast Missouri football. Failing to make a first down, the Bulldogs in this game capitalized on two breaks to come out winner, 13-7. Two seasons before, in 1935, Sikeston at Cape Girardeau won, 6-0. Tactics were virtually the same in both games. The Bulldogs grabbed the lead, then sat back on their haunches and held like a stone wall.

Cape, on the same basis, has better success while visiting. The Tigers took the 1936 game here, and according to this bureau of standards should come out ahead here Friday night. All the records, with one exception, favor the Tigers. The one exception is the games played against Poplar Bluff by Cape and Sikeston. The Growlers defeated the Mules, 25-0, and Central downed Poplar Bluff, 19-0. Two of the Tigers' touchdowns were provided by blocked punts, and another by a pass. Coach Muegge, however, used 22 men in the game.

#### STRONG RESERVES

The Tiger's strong reserves and general weight should be a telling factor in the conflict. Coach Muegge has three good blocking backs to pave the way for Charles Brune, an outstanding back in Southeast Missouri. The Bengals always bring along an aerial gun loaded with a mass of trick pass plays. The big game last year was filled with passes and all kinds, long, short, springboard, and a large percentage of them clicked. Only severely cold weather or a very muddy field can rule out a passing attack.

To date, the Tigers have a record of five victories and one defeat. Marion, Ill., High was defeated, 38-9; Cairo, Ill., 36-0; Mayfield, 19-7, and Cape topped Webster Groves and Poplar Bluff. The Maplewood loss was 20-7. Sikeston has a season's count of five wins to two losses, defeating East Prairie, Poplar Bluff and Farming by the same count, 25-0, Perryville, 9-0, and Chaffee, 13-0, and losing to Jackson, 18-12, and Caruthersville, 19-6.

#### BETTY DONNELL SWIMS WITH SORORITY CHAMPS

A five-column picture on the sports page of the Wednesday St. Louis Globe-Democrat featured the swimming team of Kappa Kappa Gamma sorority at the University of Missouri, one of its five members being Betty Donnell of Sikeston. The team has just won the 1938 inter-sorority championship, giving the title to Kappa Kappa Gamma for the third time in three years.

### Ralston Will Deliver Samples Of Wheat Cereal

Sikeston families the next few days are to renew their acquaintance with Ralston Wheat Cereal, the ever popular whole wheat breakfast food that's served hot. Western Union boys are to deliver to local housewives generous sized checkerboard packages of this cereal, containing five full servings.

Chief among the nourishing properties of this favorite winter cereal is the extra richness in Vitamin B. This is due to the addition of extra quantities of wheat germ, the richest known natural source of Vitamin B, so essential for sound nerves in adults and children. Too, it helps promote sturdy growth and eager appetites in boys and girls. Ralston contains 2½ times as much wheat germ as pure whole wheat and 16 times as much Vitamin B as spinach.

Ralston Wheat Cereal cooks in 5 minutes—and costs less than a penny a dish.

Since housewives themselves have shown their preference for the sampling method of bringing popular foods to their attention or acquainting them with new products, there is every good reason to believe that the popularity of this old cereal favorite will increase as this new house-to-house sampling goes the rounds throughout the city.

#### EBERT-KREADY SOCIETY MEETS NOV. 17

The Ebert-Kready Missionary Society of the Methodist Church will meet Thursday, Nov. 17, at the home of Mrs. J. N. Ross, with Mrs. G. W. Presnell and Mrs. F. M. Sikes assistant hostesses. Mrs. G. A. Dempster will be program leader and Mrs. J. L. Taylor will lead the devotional.

#### D. A. R. MEETING SATURDAY AFTERNOON

The Kingshighway Chapter of the D. A. R. will meet at the home of Miss Isabel Hess Saturday afternoon, Nov. 12, at which time a program on Thanksgiving will be given with Mrs. A. J. Renner as leader. All members are requested to be present.

### P.-T. A. Lunchroom

O. M. "Ichy" Arthur, T. F. Baker, A. C. Barret, I. Becker, \$10 donor, Junior Chamber of Commerce, Hans Baasch, Lee Bowman, C. D. Matthews, III, J. L. Matthews, F. E. Mount, \$5 donor, Mrs. Abe Shainberg, Mrs. F. M. Sikes, and The Sikeston Herald.

Mrs. J. L. Matthews has volunteered to give the P.-T. A. silver tea in her home, 319 North Kingshighway on Thursday, Nov. 17, from 2:30 to 5:30 p. m. The tea is an annual affair and all silver contributions are used for the lunchroom fund.

The public is invited. The committee in charge consists of Mrs. W. E. Hollingsworth, Mrs. G. H. Dover, Mrs. C. T. Old, Mrs. W. P. Wilkerson, Mrs. W. H. Sikes and Mrs. A. W. Swacker.

## Loop Play Back in Sway Armistice Day

Teams To Battle  
In Five Conference  
Games This Friday

After a week of comparative peace and quiet insofar as league struggles were concerned, Southeast Missouri conference teams get back to the front line trenches of grid warfare Friday for Armistice Day clashes.

Sikeston plays host to a formidable and long-time non-conference foe, Cape Girardeau Central High, which has lost only one game this season, and on a basis of score card rating the Tigers stand out in front.

Charleston's lead in the North Circuit, without a loss, should not be interrupted when the Jays travel to Poplar Bluff. The Mules have been unable to gather enough momentum to score this season.

#### EVEN-UP CLASH

Those northern neighbors to each other, Perryville and Farmington, clash at the Perry County seat. This should be a thriller, because both teams are much the same in strength. The gesture goes to Perryville.

Caruthersville, with a happy season's record of no defeats so far, will meet its strongest opponent in the South Division to date—Chaffee. The Red Devils find another of their players, Bill Crader, star quarterback, on the injured list as the Tigers come north seeking more blood. Crader received a head and shoulder injury in the Sikeston game last week. The Tigers are strong favorites.

#### ANOTHER CLOSE ONE

Another battle is in sight between Dexter and East Prairie, with both teams fighting to steer shy of a perfect record. The perfect record in this case is that each team has yet to win a game and each is anxious to topple this record in favor of a mark in the win column. In this case the pre-game nod goes to Coach Hugh May's Eagles, who have a stout defensive and have turned in scores eleven that have walked away with Dexter. It should be a good game.

Stung by a shocking 25-13 defeat last week at Piggott, Ark., the Kennett High School Indians should wreak their vengeance on lowly Portageville, although the latter has two wins in the South. Piggott's first touchdown marked the first time the hitherto undefeated Indians had had their goal line crossed.

Jackson will rest up for its game on Nov. 18 with Cape Central.

#### Lloyd Williams Dies in Los Angeles

Lloyd Williams, brother of Mrs. Harry Dover and son of Mrs. A. W. Wylie, of this city died Tuesday in Los Angeles following a heart attack suffered Tuesday morning. Other survivors are Mrs. Ray Colbert and Mrs. Frank Carroll, sisters in St. Louis, and a brother, Roland Williams, of Los Angeles. Mr. Williams lived in Sikeston when he was young. He leaves his widow and three sons, Ted, Bob and Jim Williams. Mrs. Wylie left here Tuesday night for Los Angeles. Bobby Dover, son of Mrs. Harry Dover, visited the Williams family while working in California in recent months.

### MISFORTUNE BEFALLS TWO DAUGHTERS

Barbara, young daughter of Mr. and Mrs. Charles Boyce, was taken to St. Francis Hospital, Cape Girardeau, Monday for treatment of a severe cold. On Tuesday, Linda, year-old daughter of the Boyces, pulled an electric bottle warmer off a stand and was badly scalded by boiling milk on the right shoulder and arm and left hand.

### AUXILIARY TO HEAR SECURITY WORKER

The American Legion Auxiliary will meet Tuesday night, Nov. 15, at the Legion Hut. At this time Mrs. Rue of Cape Girardeau, representative of the Child Welfare division of the Social Security, will be present and will explain to the members just how to go about getting aid through the Social Security for dependent children.

Rummage Sale in Catholic Parish Hall Saturday, November 12, 11-15

## Nazerian and Welch Subdue Canvas Foes

All the assorted misery each could deal out was dealt by Wild Bill Rush and Mike Nazerian to each other at the armory Wednesday night, but the Armenian had a better brand of misery and won the second and third falls for the match. Benny Bolt, the Sioux warrior, bolted and attacked the referee, Najeab, after he lost the deciding fall to Roy Welch. He was herded back into safe keeping before he could scalp Rabban, whose head is bald anyway.

From the time they glared at each other at the beginning of the match, Nazerian and Rush were bent on dishing up all the punishment they could get away with and some they knew they could not get away with. Nazerian lost no time in biting, but Rush got a head scissors and turned it into an Arkansas head buster. The wrestlers slugged right and left, and after 13 minutes of mauling Rush won with a rolling rocking chair split.

Nazerian, in between dashes for the ropes, got in some healthy licks at Rush and got some in return. He took the Tennesseean in 15 minutes, with body slams, and in 8 minutes, with general slugging and choking, for the next two falls. These mix-ups were featured by some turn-about choking and biting.

Bolt got to slugging Welch early in the game, and he punished the Canadian with some headlocks. Roy countered with some severe body slams, all but making a rubber ball out of the South Dakota brave. Bolt got a reverse arm lock after being broken for hitting low. This insulted Roy and he tossed Benny around with some Irish whips and pinned him. Time, 15 minutes.

After Bolt annexed the second in 6 minutes with a series of shoulder jolts and front body slams, Welch cut loose with some slugging and felled the Indian to pin him in 8 minutes. Twice Benny had to be broken from using the mouth stretch on Welch. After the deciding fall, Bolt attacked Referee Rabban, but Promoter Mike Meroney separated them.

#### APOLLO GROUP

The regular meeting of the Apollo Group will be held this Friday afternoon, 3 o'clock, at the home of Mrs. W. E. Hollingsworth. All members are requested to present.

## There Must Be No Guesswork

Science teaches us that milk properly pasteurized is safe. Proper pasteurization is simply heating the milk to 143 degrees, and holding the milk at that temperature for 30 minutes. The milk is then quickly cooled to 40 degrees and bottled with a sanitary bottle filling and capping machine.

There is no guesswork with us as to whether the milk is properly pasteurized. To properly check the temperature of milk during pasteurization, we have two recording thermometers (each costing over \$100.00), and they in turn are checked daily with a standard stem thermometer. The dial of each recording thermometer shows the temperature for the milk, the length of time the milk is held at pasteurization temperature, and the time the vat is emptied. The dial sheets are then inspected by a C. C. C. Veterinary Inspector, and the temperature must be correct to within one degree.

The health of several thousand people depends on whether Reiss Dairy milk is properly pasteurized. We realize our obligation to these customers by processing the safest milk it is possible for modern machinery to produce.

Reiss Dairy Products must be safe—there can be no guesswork.

## Ask YOUR DOCTOR

Why Experience is Important in Registered Pharmacists

Your doctor will tell you that in Pharmacy, as in all other things, experience is the best teacher. Long association with all of the numberless details of compounding prescriptions will make even a registered pharmacist better. Only registered pharmacists with long experience fill prescriptions at

Your Doctor Has  
Faith in Our  
Prescription Service
